VHS Learning

WHAT IS
Online Teaching Methodologies (OTM)?

Asynchronous

- Participants set their own schedule
- Participants are required to log in every weekday during the course
- There is no specific time that participants are required to log into the course

Paced

- Weekly deadlines
- 4-weeks long
- ~ 10 hours/week
- Week runs Wednesday-Tuesday

Graduate-Level

- Thought-provoking exploration of philosophical and practical aspects of online teaching
- Opportunity to apply for one (1) graduate credit (for a fee)

Cohort-Based and Collaborative

- 10-25 participants in a section
- Weekly discussion boards
- Group project

Modeled on the VHS Learning Student Experience

✓ Participants experience the course as a student

✓ Facilitated by experienced VHS Learning teachers

✓ Regular personalized interactions with facilitators

⊗ Online Teaching Methodologies is NOT…

Virtual Meetings	Self-paced	Easy
Live Lectures	Solitary	Boring
